PHYSICIAN CERTIFICATION PRIOR AUTHORIZATION FORM

Synagis® palivizumab will be approved for payment for eligible clients that are currently less than 2 years old and either currently have chronic lung disease or based on gestational age have a high risk for RSV. This medication will only be approved for payment during the RSV season (the RSV season typically commences in October/November and lasts through April/May) and will not be approved for payment for second season prophylaxis unless the client has chronic lung disease requiring medical therapy. Please fill out the following information and return to us as indicated below:
